

FundFlow — Operator manuals

Full manuals for members, administrators, and accountants. These are the canonical, unabridged versions.

Audience	Manual	Description
Members	manual-member-portal.md	Using the member portal: accounts, contributions, loans, deposits, cash-out, statements, settings, help
Administrators	manual-administrator.md	Operating the admin panel: members, collections, loans, bank clearing, reconciliation overview, jobs, migration
Accountants	manual-accountant.md	Diagnosing and fixing drift, reconciliation exceptions, bank clearing, legacy repair, CLI runbook
